

Q2's Newest Shopping Channel, Comcast Comcast

We are happy to announce that February 1, 1995, Q2 will be added to your cable service. Q2 will include products and information on Home, Family, Entertainment, Sports & Fitness, Health & Beauty, Travel and Style all hosted by experts!

Q2 will replace Nostalgia on Channel 60.

In addition, due to the rising costs of doing business, your Value Pac service will be increased to \$1.32. Basic and Standard Service rates will remain unchanged. Value Pac includes the following channels:

AMC

WTBS

WGN

TNT

Please note that as of February 1, Value Pac channels will not be offered individually. They may only be purchased collectively.

Thank you for being a Comcast customer. We look forward to continuing to provide you with the finest programming at the lowest possible price.

Sincerely,

Comcast Cablevision

P.S. Ask about our Enchanted Service - for as little as \$3.50 more per month you could be enjoying Complete Basic Service and The Disney Channel. Or, ask about other premium channel packages available at substantial discounts off regular prices.

Re: Comcast Cablevision of San Bernardino, Inc.

Dear Mr. Caton:

In accordance with paragraph 28 of the Commission's Sixth Order on Reconsideration in MM Docket No. 92-266 (the "Going Forward Order"), I am attaching a copy of this system's notification to subscribers regarding changes to our Value Pak. We originally began offering the Value Pak channels on an a la carte basis on September 1, 1993. Based on the Going Forward Order and the Commission's responses in Letters of Inquiry issued of March 1, 1995, our Value Pak channels will no longer be offered individually and instead will be offered as a new product tier effective May 1, 1995.

In addition, the attached information provides the prices for our basis service tier, our cable programming services tier, and a channel lineup which lists the services which are available on each level of service.

If you have any questions, feel free to contact me at (215) 981-7638.

Thank you very much.

Very truly yours,

Re: Comcast Cablevision of San Bernardino, Inc.

Dear Mr. Caton:

This system offers subscribers an optional New Product Tier ("NPT"). This tier is comprised of services initially offered on an a la carte basis and is a "grandfathered" NPT pursuant to Section 76.986(c) of the Commission's rules. See, In the Matter of Comcast Cablevision of Tallahassee, LOI-93-2 (November 18, 1994).

The purpose of this letter is to notify the Commission that effective February 1, 1995, the price of the New Product Tier was raised to \$.99. The services on the NPT will no longer offered on an a la carte basis effective May 1, 1995.

An updated rate card and a copy of the notification of these changes which was sent to subscribers is attached.

If you have any questions, feel free to contact me at (215) 981-7638.

Thank you very much.

Very truly yours,
